## Our Service

We offer a Christ-centered, classical education to students in pre-k through twelfth grade.

## Our Mission

Our mission is to guide students into a Christian worldview as we equip them to think logically and communicate effectively to influence the world for Christ.

## Our History

In 1995, a group of concerned parents established American Christian School which was the only Christian high school in Bartlesville at that time. The elementary grades were added in 2000, and the school moved to its current location two years later. In 2008, ACS obtained accreditation.

## Accreditation

American Christian School is fully accredited through the Association of Christian Teachers and Schools (ACTS) and recognized by the Oklahoma Private School Accreditation Commission (OPSAC). We are also a member of the Association of Classical and Christian Schools (ACCS).
